Dear Sir,

NATIONAL CONSTRUCTION SAFETY GRADING

Thank you for participating in the National Construction Safety Grading System.

I am pleased to inform you that the Nat-Africa Construction and Manufacturing (Pty) Ltd, 17 Brass Link, Alton, Richards Bay evaluated on 01 August attained a Five (5) Star grading.

Kindly note that this grading is only valid for a period of one year. It is your responsibility to ensure that you maintain and uphold the standard achieved on the date of your star grading. It is further your responsibility to request for a re-grade after a year and to prepare for the re-grade based on the latest MBSA audit schedule. Should you not request a re-grade after a year you may not continue to display the star grading board or the star grading certificate.

Please convey my congratulations to the staff responsible for this fine achievement.

Yours faithfully

Neil Enslin
